

Darkstone Entertainment the creators of *PLAN 9* (plan9movie.com) in association with Trilobyte Games (trilobytegames.com) have begun pre-production on *7th Guest: The Series* based on the cult hit video game series *The 7th Guest* and *The 11th Hour*!

The production is being released as a web series with a 10 episode season. Director John Johnson and Executive Producer Rob Landeros are considering the story to be the next sequel to the games continuing the legend of Stauf the evil toy maker and his tormenting puzzles.

7th Guest: The Series (facebook.com/7thguesttheseries) will be launching a Teaser Trailer the 1st week of October with a brief crowd funding campaign so that fans can sink their teeth in early!

Production for the series is set for March 2016.
